## Event Periods:

The event will be broken up into periods. Each period is designed to focus the team on a specific aspect of defense and offense.

### FIRST PERIOD - HOST SECURITY

Time: 1030 - 1430

Focus: Host security

White Wolf Security  
1052 New Holland Ave  
Lancaster, PA 17601  
717-295-6201 (o)  
717-295-6205 (f)

Rules: During this time period you will be locked out of your Cisco ASA firewall and you will have no access to the internet. You must protect the systems as well as possible using only the tools native to the operating system.

#### SECOND PERIOD - DEFENSE IN DEPTH

Time: 1430 - exercise completion on Sunday 10/4

Focus: Defense in Depth

Rules: During this time period you will be able to apply patches downloaded from the internet and you will have access to your firewall. You may also install free/open source tools as referenced in the exercise rules.
